

A PARTY WITHOUT A DRINK IS JUST A MEETING.

And aren't you tired of pointless meetings?

Elevate your personal meetings by joining the most elite club in the heart of SOHO. See if you can find Manhattan's best-kept secret, The Cigar and Scotch Club. And we have more to offer than just cigars and scotch. Whether it's wine tastings, out and about nights, or chocolate pairings, mix and mingle with others who match your intellectual level in a variety of ways.
